

Grammar: Adjectives

2nd grade: Adjectives

Circle the nouns in each sentence.

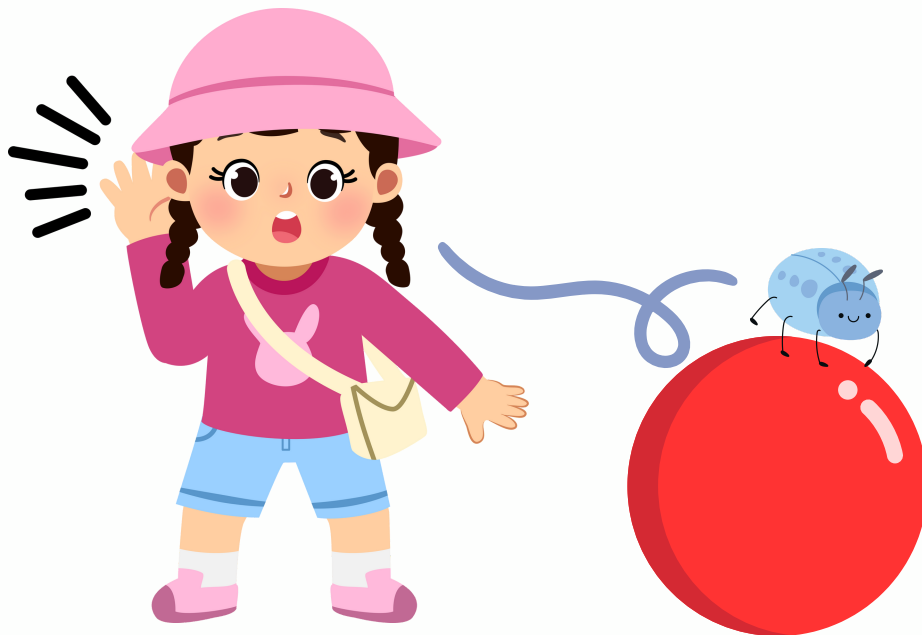

An adjective is a word that describes a noun (a person, place, or thing), such as big, red, or happy.

One sunny day, Lily saw a big red ball in her blue yard.

She felt very happy and excited to play with it.

Suddenly, a tiny bug crawled across the ball.

Lily was a little sad to see it walk away so fast.
