

Reduce, Reuse, and Recycle

2nd grade: Science

Reduce, Reuse, Recycle!

Reduce, Reuse, Recycle are ways we can take care of the Earth.

Reduce means to use less. Example: Turn off the water while brushing your teeth.	Write two ways you can use less:
Reuse means to use things more than once. Example: Use both sides of paper before recycling it.	Write two ways you can use less:
Recycle means to turn old things into new things. Example: Plastic bottles can be recycled into new plastic items.	Write two ways you can use less:
