and study vocabulary

### Emily's Waterpark Adventure

Emily was excited when her mom told her they were going to the waterpark. She couldn't wait to splash around with her friends! At the waterpark, Emily and her friends raced down the slides and played in the pools. But when they saw the tallest slide, they felt a little scared. Emily's mom encouraged them, saying it would be fun. With a little push from her mom, Emily took a deep breath and slid down with a big splash! From then on, Emily and her friends had a blast, laughing and playing together all day.
