The Picnic Adventure

Lucy and her cousin Sam went on a picnic in the big park near their home. They packed sandwiches, apple slices, and juice boxes in their picnic basket. They spread a red blanket on the grass under a tall tree and started to eat. While they were eating, a gentle breeze blew Lucy's hat off her head. It landed near a bush. When Lucy went to pick it up, she found a small, lost puppy hiding there. The puppy was brown and white and looked very scared. Lucy and Sam decided to help the puppy. They gave it some water and a piece of apple, which it ate quickly. They named the puppy "Buddy." They took Buddy back home with them to find out if anyone was looking for him. By the end of the day, they had made a new friend.
